HUNGARIAN SCOUT ASSOCIATION IN EXTERIS**

April 18, 2020

Dear Region/District Leaders and Scoutmasters:

All of you have organized scout camps in the past. You know how much work, responsibility and enthusiasm go into making these events successful. And you know what a great feeling it is when, after months of sustained preparation, the camp takes place, and all the scouts return home with wonderful memories.

Unfortunately, there are situations beyond our control which, despite all advanced preparations, make it impossible for the camp to take place. This is the situation of our Jubilee Camp right now.

Despite our best efforts and best intentions, due to the coronavirus situation, the 2020 Jubilee Camp has been postponed.

We emphasize that the camp is postponed (not canceled).

We hope that the Jubilee Camp will take place in the summer of 2021. Our camp preparations continue. The sub-camp leaders are honing and improving their plans, so our scouts will benefit from a fun and challenging Jubilee Camp next year.

As we make arrangements to reschedule, we will continue to keep you informed. We are counting on your help and support. Together, we can ensure that all our scouts will stay enthusiastic and hopeful while waiting for camp to start. Let's make sure this delay is marked not by disappointment, but rather preparing, planning and dreaming together!

Feel free to forward my letter to the scout parents as you see fit. My video announcement will be posted on Monday.

Meanwhile, let's live up to our camp motto: Let's Build a Nation!

Eszti Pigniczky, Camp Director
